Dear Arman:

I filed today an amendment to the September 2012 Monthly Report for Victory NOW PAC (September Monthly Report).

The amendment reflects an online contribution from Anne Constant. We have been experiencing some difficulties with receiving confirmations of online contributions to Victory NOW PAC. I only discovered this contribution today.

We have also been having some problems with the online contribution preferences in our database so that the online contributions listed in the September Monthly Report were designated as for the 2010 election cycle instead of the 2012 election cycle. I have made those corrections.

Finally, the September Monthly Report includes a transfer of joint funds to Victory NOW PAC from Van Hollen Victory Fund (VHVF) on September 10, 2012 in connection with a joint fundraiser held in 2011. I had attached to this transfer as memo items several contributions that were made to VHVF toward the end of 2011. However, since the date of these contributions was in 2011, they did not appear on the September Monthly Report.

I have recoded these contributions so that they are included in this report and, where required, itemized with the original 2011 contribution date listed.

Please let me know if you would like for me to take any further action or if you have any questions at all.

Thanks.
